Mr. Howland Wood,

Secretary of A. N. S.

Dear Sir,

Kindly accept my resignation  
from your organization as I do not ~~derive~~ any benefits from  
my membership. I am in no way interested in the "Numismater"  
Notes or issues as they are all for the high brow collector and  
do not contain any items that are of interest to the ordinary collector.  
When I joined your organization I was under the impression  
that you published a Magazine like the "Numismatist" or at least  
a yearly book containing "Numismater Items" of interest.  
I appreciate the honor of membership in your organization but  
cannot afford 5 Dollars per year for just that. Wishing you  
success I am,

Very truly yours,

Wm Rabin

I am sorry that you do not find our publications of value to you, but before your resignation can be presented to the Council, I must be in a position to assure them that your dues for the current year have been received.
